

Australian Labradoodle Grooming Guide

Body

Sport

Cut 1 to 2 inches across the back and torso blending into the legs

Fancy

Cut 6 inches and even with legs

Tail

Cut to match leg length.

Legs

Cut 4 to 6 inches, tubed and covering foot straight down and not following the curve at the ankle. Trimmed to clear ground.

HEAD

Cut 2 to 4 inches. Round leaving full, coat on top of head should blend into ears. Ears should be cut to the end of the leather and should natural shape. Leaving a full beard and mustache that complete a full circle. Trimming between eyes at a 45 degree angle to leave a natural cut. Do not cut under eyes or between ear and eyes. Do not notch out above ears. Blend into neck and back. Leave enough bang to create a visor, should be long enough to reach bridge between eyes.

Shave
